**TRANSMITTAL LETTER**

Dear Sir:

This letter is in response to the PTO communication mailed March 3, 2005.

The Korean office Action dated February 26, 2004 actually was submitted with an IDS under Certificate of Mailing on May 3, 2004, i.e., within three months of the date of the Korean Office Action. What was submitted on July 14, 2004 was a copy of that earlier submission. Thus, there are not "two separate and distinct certified mailing dates" for the IDS.

Since the IDS was originally submitted over a month prior to the issuance of Notice of Allowance, and over four months before payment of the issue fee, it is respectfully requested that the IDS should have been considered substantively.

It is noted the Examiner has signed off on Form PTO-1449 and therefore it is presumed that the art in fact has been considered.

Respectfully submitted,
